NHS Screening Programmes

Plain English explanation

The NHS provides national screening programmes so that certain diseases can be detected at an early stage. These currently apply to bowel cancer, breast cancer, aortic aneurysms and diabetic retinal screening service. The law allows us to share your contact information with Public Health England so that you can be invited to the relevant screening programme.

More information can be found at: <https://www.gov.uk/topic/population-screening-programmes> or speak to someone at the Practice.

1) Data Controller contact details	Don Valley Healthcare 128 High Street Bentley Doncaster DN5 0AT
2) Data Protection Officer contact details	Data Protection Officer: The Practice Data Protection Officer is Caroline Million of C M Associates. Any queries regarding Data Protection issues should be addressed to caroline.million@outlook.com
3) Purpose of the processing	The NHS provides several national health screening programs to detect diseases or conditions earlier such as; cervical and breast cancer, aortic aneurysm and diabetes. More information can be found at https://www.gov.uk/topic/population-screening-programmes The information is shared so as to ensure only those who should be called for screening are called and or those at highest risk are prioritised.
4) Lawful basis for processing	The sharing is to support Direct Care which is covered under Article 6(1)(e); “necessary... in the exercise of official authority vested in the controller” And Article 9(2)(h) ‘necessary for the purposes of preventative or occupational medicine for the assessment of the working capacity of the employee, medical diagnosis, the provision of health or social care or treatment or the management of health or social care systems and services...’ We will also recognise your rights established under UK case law collectively known as the “Common Law Duty of Confidentiality”*
5) Recipient or categories of recipients of the shared	The data will be shared with NHS Screening Programmes.
