PRIVACY NOTICE

COMMISSIONING, PLANNING, RISK STRATIFICATION, PATIENT IDENTIFICATION

The records we keep to enable us plan for your care

Don Valley Healthcare keeps data on you that we apply searches and algorithms to in order to identify patients who might benefit from certain treatment, who might be at risk from illness or admission to hospitals and who might benefit from preventive interventions.

This can mean using only the data we hold or in certain circumstances linking that data to data held elsewhere by other organisations, usually within or bound by contracts with the NHS.

If any processing of this data occurs outside the Practice your identity will not be visible to the processors. Only this Practice will be able to identify you and your relevant calculated risk.

You have the right to object to our sharing your data in these circumstances but we have an overriding responsibility to do what is in your best interests. Please see below.

We are required by Articles in the General Data Protection Regulations to provide you with the information in the following 9 subsections.

1) Data Controller contact details	Don Valley Healthcare 128 High Street Bentley Doncaster DN5 0AT Tel: 01302 874551
2) Data Protection Officer contact details	Caroline Million C M Associates Caroline.million@outlook.com

3) Purpose of the processing	The Practice performs computerised searches of some or all of our records to identify individuals who may be at increased risk of certain conditions or diagnoses i.e. Diabetes, heart disease, risk of falling). Your records may be amongst those searched. This is often called “risk stratification” or “case finding”. These searches are sometimes carried out by Data Processors who link our records to other records that they access, such as hospital attendance records. The results of these searches and assessment may then be shared with other healthcare workers, such as specialist, therapists, technicians etc. The information that is shared is to enable the other healthcare workers to provide the most appropriate advice, investigations, treatments, therapies and or care.
4) Lawful basis for processing	The legal basis for this processing is Article 6(1)(e) ; “necessary... in the exercise of official authority vested in the controller’ And Article 9(2)(h) ‘necessary for the purposes of preventative or occupational medicine for the assessment of the working capacity of the employee, medical diagnosis, the provision of health or social care or treatment or the management of health or social care systems and services...”
5) Recipient or categories of recipients of the shared data	The data will be shared for processing with NHS England and affiliated organisations and medical research data base for specific.
6) Rights to object	You have the right to object to some or all the information being processed under Article 21. Please contact the Data Controller or the Practice. You should be aware that this is a right to raise an objection, that is not the same as having an absolute right to have your wishes granted in every circumstance
7) Right to access and correct	You have the right to access the data that is being shared and have any inaccuracies corrected. There is no right to have accurate medical records deleted except when ordered by a court of Law.
8) Retention period	The data will be retained in line with the law and national guidance. https://digital.nhs.uk/article/1202/Records-Management-Code-of-Practice-for-Health-and-Social-Care-2016 or speak to the practice.
9) Right to Complain.	You have the right to complain to the Information Commissioner’s Office, you can use this link https://ico.org.uk/global/contact-us/ or calling their helpline Tel: 0303 123 1113 (local rate) or 01625 545 745 (national rate) There are National Offices for Scotland, Northern Ireland and Wales, (see ICO website)
